

Construction Industries
400 Lincoln Avenue
Warwick, Rhode Island 02888

Cardi Corporation is currently seeking qualified construction professionals that can immediately contribute the strength and growth of the company. Resumes with cover letter may be emailed to hr@cardi.com or mailed to Cardi Corporation, ATTN Human Resources, 400 Lincoln Avenue, Warwick, RI 02888.

Superintendents and Project Managers

Cardi Corporation's industry strength and growth requires the contributions of highly qualified construction Superintendents and Project Managers. These qualified individuals are always requested to apply.

Cardi Corporation's Superintendents and Project Managers work on heavy/highway construction projects throughout Rhode Island and the surrounding areas. The most qualified candidates are those with a proven track record completing State DOT contracts. Our Superintendents and Project Managers work on complex infrastructure projects which include: bridge and highway construction, airport and railroad construction, site/drainage/utility construction, and paving. Previous experience in these areas is required.

Qualified applicants will have earned a degree in Engineering or Construction Management or have previous industry experience which demonstrates a high level of ability in this field. Previous experience with projects valued at \$5 million and higher is preferred. A demonstrated commitment to quality and safety are essential. Knowledge and ability with cost control, project quantity tracking and claims management are required.

Resumes with cover letter may be emailed to hr@cardi.com or mailed to Cardi Corporation, ATTN: Human Resources, 400 Lincoln Avenue, Warwick, RI 02888.
