Survey Party Chief

Cardi Corporation, the largest heavy/highway contractor in Rhode Island, has an immediate opening for a qualified survey party chief for work in Rhode Island and, occasionally, the immediate surrounding areas.

Candidates should have 5 to 10 years' experience in construction layout of roads, bridges and site work. Experience with State DOT projects is a plus. Must be fully capable to read and interpret plans and specifications and translate into survey data for layout in the field. Strong working knowledge with data collectors and total stations is essential. Familiarity with GPS, robotics and AutoCAD is preferred.

Qualified candidates will be expected to work on multiple projects throughout the state. Candidates are expected to be well organized and will be required to maintain detailed survey diaries for all work.

Cardi offers a very competitive salary and benefits package. Please email resume to: hr@cardi.com or mail to Human Resources Director, Cardi Corporation, 400 Lincoln Ave, Warwick RI, 02888. Cardi is an Equal Opportunity Employer.
